

What hinders impact?

The “wait until they hear about this” approach

What helps achieve impact?

1. PARTNERS

2. PARTNERS

3. PARTNERS

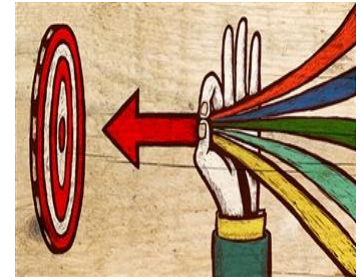

What are good pathways to impact?

- Select good research partners
- Plan for impact from the start
- Keep eyes on the panorama
- Be opportunistic
- Push on open doors

Dissemination for impact

COORDINATION

- Government
- International meeting
- Local groups
- Key decision-makers
- Donors
- Academic institutions

BE BOLD

POLICY TOOLS

- Summary reports
- Policy briefs

SERVICE TOOLS

- Training materials
- Service guides
- Ethics/research guides
- Forms (intake, protocols)
- Working groups

Tips for evidence on impact

1. Get quotes from high level actors, at the time.
2. Identify policy or programming documents that cite your work.
3. Keep in contact with partners to learn how they use the evidence.
4. Obtain download statistics for reports, guidance documents, etc.
5. Search on line for your non-academic reference to your work.
